Black Sea Maneuvers Marvelous, War Minister Tells Textile Congress

ARMY MUST NUMBER 800,000

By Associated Press

Moscow, Oct. 12 .- "The Red army and navy have completed their first maneuvers and I am very much satisfed." War Minister Trotzky told the Congress of Textile Trade Workers yesterlay upon his return from the South.

bronzed from outdoor life. "It was the Allies who at Genoa refused our offer to consider disarmament," he added. "and we have drawn the conclusion that it is necessary for us to keep up an army 800,000 strong. "The army is made up entirely of

young men. In the Ukraine and Crimen I watched the 1901 class respending to the call to the colors in conformity with the new military service law, and I am glad to say I was tremendously impressed with the enthusiasm shown by all the recruits, "I watched the Black Sea maneuvers

with great interest. It was marvelous, considering the fact that just a short considering the fact that just a short time ago the navy was paralyzed.

"Since those days foreign ships have threatened Cronstadt, fired at Odessa and also sent us ultima.ams. Consequently we have come to the conclusion property."

re must have a navy in order to safeguard our shores.
The European press marvels at the het that our navy has been re-cs-mblished within such a short time. looking at us accusingly, they say the

Red ships have begun to move, and as-sert that we are militaristic. Yes, we are guilty; our ships are on the move. But why not? That is what they were "The Allies at Genoa declined to conider our disarmament program. Now

I say the Red army and navy are the most convincing argument when it most convincing argument comes to talking peace and possible rapprochement with other countries.
"We have made efforts and met with our military progress."

SAYS R. R. TRANSPORTATION SHORTAGE HITS PROSPERITY

Editor Declares Limited Railroad Capacity Hampers Business

New York, Oct. 12 .- (By A. P.)thortage of railroad transportation is so serious that it is not only limiting. production and commerce of all kinds, samuel O. Dunn. editor of the Railway Age, asserted at the annual convention of Associated Business Papers here today. Almost every other condition is favorable to an increase of production and commerce and a revival of prosperity, he declared,

The present transportation situation was aggravated, but not created, by the was aggravated, but not created, by the cool and railway shopmen's strikes, Mr. Dunn said. The condition is due mainly, he added, to a great industrial regival and commercial activity and to a long decline in the expansion of rail-

Production and commerce are trylag to increase as much as they did after the depression of 1914 and 1915," he said. "But the capacity of the rail-roads has not increased as it formerly fid. This is the principal reason why. At the start of business revival, the country is confronted with a shortage of transportation." of transportation.

He said thus far in 1922 the rail-roads have carned only 4 1-3 per cent.

TOOK BRIDE AT GUN POINT Nurse Complains Husband Forced

Her to Marry Him Nyack, N. Y., Oct. 12.—Arthur C. anner, twenty years old, a student of Grand View, was held vesterday in \$5000 ball for the Rockland County Grand Jury on the charge of assault with intent to kill for forcing Mary C. Nelson, a nurse, twenty-four years old. marry him under threat of death.

According to the bride's story. Tanher pulled a revolver from his pocket and asked her to marry him, and in of bodily harm she consented. The same method, it is asserted, was used by Tanner to induce the nurse to so with him to the town clerk's office October 3 and obtain a marriage

Mrs. Tanner is a graduate nurse and was employed by an insurance com-pany. She gained considerable fame one year ago by swimming across the Hudson River, a distance of three and
